Fox Creek

JFR Base Name: Fox Creek Fire Base

Distance from Nearest Town/City: ~7 km

Brief Description: The JFR crew based in the Whitecourt Forest is in the heart of bountiful wilderness, which includes some beautiful lakes, wildlife, and forests. The crew stays at the Fox Creek firebase and is a short drive to the town of Fox Creek and a little further to Whitecourt. The vast forests alone in this area make Fox Creek a wonderful location.

Projects crews have completed in the past:

- Participate and learn about FireSmarting with the Whitecourt fire department
- Fish and wildlife officer shadow day
- ATV safety course
- When conditions are safe and favorable, an effort is made to give crews firsthand experience in wildfire suppression operations.

The JFR program aims to run a crew in 9 of 10 forest management areas, annually rotating which area(s) do(es) not have a crew. Activities in each forest area will vary from year to year.
